Seller Q&A

What are the operating procedures for running this business?: This is a turnkey, hands-off content site that earns passively from its ranking articles. It does not require any operating procedures. The seller recommends publishing new articles each month.

If you were going to keep the site, what steps would you take over the next 3 to 6 months to grow the income and traffic?: If the seller was going to keep the site, they would start an email list, and start utilizing social media.

Where does most of your income generate from?: Most of the income is generated from the bra sizing articles.

Who wrote the content?: The seller wrote the content

If you were shopping to buy a website, what about this site would stand out to you?: What would stand out to me is the high quality, original content that has been so well optimized for SEO. The backlinks from so many high authority sites and the strong domain authority is all extremely valuable and makes this a rare find in the market.
