FACELESS ANIME YOUTUBE CHANNEL: 98K SUBS, EARNING $6,393/MO

https://nicheinvestor.com

This channel publishes long-form anime analysis videos, typically 10 to 22 minutes, built on a documented production system rather than personality or on-camera presence. The account was registered in October 2021 and sat dormant for three years. In November 2024 the owner relaunched it in the current analysis format, monetized it, and generated first revenue...
