Seller Q&A

If you were going to keep the site, what steps would you take over the next 3 to 6 months to grow the income and traffic?: If I were to keep the site I would work on getting as many high quality posts written as I could, especially ones about hatching chicks, beginners guides to chickens, and spring related posts. I would significantly grow the gardening section of the blog, especially posts about gardening with and for chickens. Spring has always given me the highest traffic to the site

What is your current open rate and click rate?: Email open rate is 28% and click rate is 4.3%. Flodesk

How often do you email your list?:
monthly

Where does most of your income generate from?:
Mediavine and Amazon affiliate

Who wrote the content?: I wrote most of the content. I hired a writer a few years ago and she wrote several articles as well, but she's not working with me anymore.
