Seller Q&A

What are the operating procedures for running this business?: I publish every Monday , the rest of the week i work on creating next week's post and working on SEO

How often do you email your list?: na

Who wrote the content?: i did

If you were going to keep the site, what steps would you take over the next 3 to 6 months to grow the income and traffic?: I would introduce a new section for "product reviews" mainly kitchen tools , target low competition keywords and write concise long reviews , this will bring new traffic and then link the products reviewed to an affiliate program to start a second stream of income alongside Adsense.

What is your current open rate and click rate?: na

If you were shopping to buy a website, what about this site would stand out to you?: Non-plagiarized content, easy to use, more than 170 articles that covers almost all the types of food. This makes foodieleaks have great potentials to be a giant database which can be a good basis for a broader blog that covers everything kitchen related with food already covered, new sections new niches can be introduced including recipes, product reviews, nutrition calculators, diets...
